WEST LONDON YMCA

EALING

CLASSIC

The Westcoast Windows Classic series is a unique design manufactured with aluminium profiles and high density, slow grown, knot-free laminated timber, sourced from sustainable forests. With an elegant design and modern function, it's easy to see why this is our most popular range.

The Classic series is available in inward and outward opening windows and doors, and sliding doors, in 28mm double and 36mm triple glazing. Take a look at the full range:
